de Voo Livre

Dear associates and visiting pilots from Clube São Conrado de Voo Livre
ANAC Official Letter: No. 1648/2022/gtvc/goag/spo-anac

We communicate the pilots and visiting pilots from Clube São Conrado de Voo Livre that it's strictly forbidden to paraglide or hang-glide near Christ the Redeemer, having the need to respect the limits of SBR 324.

The infraction of this determination will lead to sanctions from **ANAC, CBVL and CSCVL.**

The management of CBVL, FVLERJ and CSCVL, are working hard to reverse ANAC's decision so the flies around Christ the Redeemer are allowed again.

We count on everyone's comprehension, so we don't have further problems.

As determined by Anac:
